

# What organization operates the public market?

Gibsons Community Building Society

Committed to Building a Strong Community

The not-for-profit **Gibsons Community Building Society**, established in 2014, operates the Gibsons Public Market.

A volunteer [Board of Directors](#) governs the Society with support from a volunteer [Board of Governors](#). Members of the Society elect the Board of Directors at the Annual General Meeting. Society membership is distinct from public market membership and its associated Affinity Program.

Society members are individuals who have played a key role in the development of the Society including the founders, members of our Board of Governors, major donors, key volunteers and past members of our Board of Directors. Anyone interested in joining one of our boards or committees is welcome to [contact us](#).
