

Food and Artisan Craft Vendor Application

The two-week-long Holiday Market Faire is a celebration of the winter season, for all ages, held at the Gibsons Public Market in December. The Market is set up like a Victorian Village, with inventively decorated trees and seasonal decorations sprinkled along the walk and a new view at every turn. The Faire offers a sales opportunity for craft artisans and food vendors, daily make-it-and-take-it workshops in the community kitchen, and afternoon and evening events and performances, for children and adults.

Available space is limited to 10 artisan tables per week, and 4 food vendors outside the Market. Holiday Market Faire hours are the same as Market hours in December, and the vendor is required to be open for sales during the same hours. Currently, the Market is open Tuesday to Sunday, 10:00 am – 6:00 pm. These hours may change.

I am interested in presenting a make-and-take workshop. Please describe:

General Description of crafted product or food product- If relevant to your product, indicate sizes, methods of construction, materials used, attention paid to zero waste, **ways some of your products might be unique to the Sunshine Coast for this particular sales opportunity.**

Attach numbered photos of each type of product you plan to sell.

On the itemized form below, indicate the name and pricing of each type of product in the corresponding photos, plus notes such as where you currently sell the type of product. If you have more than four types of products, attach a separate sheet, or add rows.
